

NOT GOODBYE . . . just au revoir, says Marijke van den Nouwland, foreign exchange student, as she waved for former schoolmates at Lincoln-Way high school last Friday afternoon. Tears blocked any farewell words that she might have uttered at the special farewell assembly for her that afternoon. Marijke left New York today for Belgium but she says she is coming back to Illinois to complete her schooling.

SUPT. CHAPMAN shakes hands with Marijke as she left Lincoln-Way high for the last time last Friday. Alongside of Marijke is Mrs. Eugene Bailey of Manhattan who has been her American mother during her stay in the United States. On the other side is Assistant Supt. Donald D'Amico.

ONE OF MANY STUDENTS stopping to wish Marijke a pleasant trip and a safe landing as the girl from Belgium left Lincoln-Way last Friday. All of them urged her to come back and Marijke says God willing, she will.

A SWITCH IN ROLES -- Since the tragic accident last February Marijke has been one of the most photographed girls in the country. Here she is reversing the role and is doing a little picture taking herself of Supt. Chapman and Asst. Supt. D'Amico, at the front entrance to the school. (Semmler Press Photos)

Will Honor Frank Valy

A testimonial dinner for Frank Valy, New Lenox lumber dealer and recently retired fire chief, is to be given next Tuesday night, Oct. 11, in Bruns restaurant at New Lenox.

Hosts at the affair are the three trustees of the New Lenox fire protection district, John E. Francis, E. F. Dickson and A. O. Bruns.

Invitations have been sent to all past and present members of the New Lenox volunteer fire department, and their wives. The dinner, scheduled for 7 o'clock, will be preceded by cocktails at 6:30.

DISCUSS BLUE BALLOT The Republican Men's club of Mokena is sponsoring a bi-partisan panel discussion of the proposed judiciary amendment to the Illinois constitution. The meeting is set for 8 o'clock next Tuesday night, Oct. 9, and will be held in the St. Mary social center, 195th and Wolf rd. The public is invited. The amendment is to be voted upon at the November election.

Eight Pay Taxes To Wrong School--Costs More

There are eight property owners in the Weitendorf school district, No. 154 who pay taxes to the Mokena grade school district, No. 159, it was discovered by George Carlisle, one of the directors of the Weitendorf school.

The eight real estate parcels on which there has been a mix up are located along the south side of 203rd street, which borders St. John's cemetery on the south.

The Weitendorf district takes

in to the middle of that road, Mr. Carlisle said.

The books at the court house lists these eight pieces of property as a part of the Mokena grade school district. Steps are being taken, Carlisle was told, to correct the error. But he wonders if there are other similar "border" leases.

One of the residents involved Charles Simmons, paid his school taxes under protest this year, after he had learned he was listed in the wrong school district but he is the only one

known to have availed himself of this protection.

The rate in the Weitendorf district for 1961 collectible in 1962--was 67 cents per \$100 assessed equalized valuation, as compared to \$1.23 per \$100 in the Mokena grade school district.

This difference amounts to approximately \$9 a year to Simmons, and when one multiplies that by quite a number of years a tidy sum becomes involved, he pointed out.

Those who have been paying taxes to the wrong school district and incidentally paying more than if they had been listed in their proper district, are wondering what their chances are of collecting the difference.

That is a legal question, authorities say.

Mr. Simmons, who is familiar with the practices of railroads in rectifying errors in rates, was hopeful that the county or the proper taxing body might make refunds covering the

years the taxes were paid in error, pointing out that the railroads make adjustments even if the mistakes go back for quite a number of years. He has hopes, he said, but he also has doubts.

Anyway, when the tax books are made up for this year for use next year, it was stated at the county clerk's office, the property along the south side of 203rd street will be listed as a part of the Weitendorf school district, No. 154.

"I'll Be Back," Marijke Says As She Leaves For Belgium

Marijke van den Nouwland, the exchange student who attended Lincoln-Way high school last year, left New York today on her return to Belgium and reunion with parents who last saw her in a hospital bed last February.

Accompanied by the Eugene Baileys, of Manhattan, whose home had been her home for the past 14 months, Marijke went to O'Hare Field last Sunday afternoon. There she boarded a plane for New York, where she stayed in a dormitory operated by the American Field Service, and had three days of sightseeing before taking off today on her flight to Belgium. The American Field Service is the exchange student organization that made the arrangements for her stay in the States.

In the normal course of events Marijke would have gone home in July but these were altered last February when an automobile in which she was enroute to Lincoln-Way to accompany a group of debaters to a tournament, collided with a moving freight train at New Lenox. Marijke lost her right foot as a result of this accident. She was fortunate to have escaped with her life.

From then until early June she was a patient at Silver Cross hospital in Joliet. And what a patient! There was no complaining, no railing at misfortune, no self-pity, no tears. Her ready smile, her courage and unquenchable spirit were an example and an inspiration and she was a favorite of fellow patients and hospital personnel.

Her plight and her bravery touched the hearts of numerous persons from far and near and almost immediately money began rolling in, entirely unsolicited.

It was first thought by school authorities that perhaps the donations would suffice to at least pay a part of the plane fare to bring the mother to Marijke's bedside. Then as the flow of money continued it was believed enough would be received to bring the father too.

The parents came and there was a joyful reunion. The parents went back but the money kept coming in until some \$10,000 in the fund. Last Friday at a farewell reception for Marijke at the high school, A. Hunter Chapman, superintendent at Lincoln-Way announced that \$7,000 has been placed to her account in the savings department of the New Lenox State bank and that \$1,500 had been placed in a checking account which will enable her to begin her studies in Europe.

When Marijke came to Lincoln-Way her intention was to become a physical education teacher. She like all sports and quite proficient in them.

Now she has other plans. She wants to be a physician and to this end hopes to begin a pre-medical course at the Sorbonne in Paris this fall. She has been given a scholarship by the University of Illinois and hopes to make use of it in her junior and senior years and then enroll in the university's college of medicine.

Her teachers are confident she can do it. They point out she is very intelligent, that she

has an excellent mind, is not afraid of work and an apparently inexhaustible supply of determination.

This determination was evident in the rapidity with which she learned to use the foot which was fitted to her in late summer. At the place in Chicago where this was done those in charge were astounded at her progress. Within a matter of days she was able to walk and at the school last Friday Marijke went swinging the corridors swiftly and with only a slightest of limps, and no help by cane or crutch.

In all the time she was in the hospital and the times when she longed to see the members of her family Marijke shed no tears.

But last Friday afternoon the tears came. The entire student body of Lincoln-Way filled the bleachers in the gymnasium. The school band under the direction of Robert Taylor played several selections. Marijke was seated on the first row of bleachers, alongside Mrs. Bailey, Supt. Chapman and Assistant Supt. Donald D'Amico, who has been in close touch with the situation since her accident.

Public To View School Addition At Frankfort

Guests on the platform will be Walter Haakinson, president of the school board, and school board members, Vernon Hansen, Wilbur Hossbach, Paul Lambrecht, Ralph Nieland, Kenneth Oetter, and Edward Tewes. Two former members on the board during the initial planning, Glen Nissen and Leonard W. Patterson will also

Burglars Get Furs, Jewels at Bettenhausens

Burglars broke into the farm home of the late racing driver Tony Bettenhausen west of Tinley Park and carried off furs and jewelry valued at \$4,700, according to police.

The burglary was discovered by Valerie Bettenhausen, Tony's widow, when she returned home Sunday evening.

The famous racing driver died shortly before Memorial day in 1961 at the Indianapolis speedway when a car he was testing for a friend went thru the fence. Tony had walked away from many spills but that was one when he didn't. He died in the crash.

N. Lenox Commerce Body Elects 1962-63 Officers

The New Lenox Association of Commerce is all set for the 1962-63 year of service.

At the meeting of the organization last week officers were elected and installed, Donald Nepote, operating head of the Lincoln-Way Savings and Loan, was elected president to succeed Evans Drotts.

In thanking the members for their help in the past year Mr. Drotts pointed out the great need for support for the commerce group by the business people and all residents of the community interested in making New Lenox a better place in which to live, work and raise

a family. Mr. Nepote voices his appreciation of the work of the preceding staffs in building up the Association of Commerce and he has plans for increasing its usefulness.

The other officers elected are:

John Baskerville, vice president; Evelyn Krohn, secretary and Carl Batson, treasurer.

Elected to the board of directors are: Drotts, A. Hunter Chapman, and Ronald Whitaker one of the organizers and first presidents of the Association.

NEW OFFICERS of New Lenox Association of Commerce. Seated (l to r) John Baskerville, vice president, Don Nepote, president, Mrs. Evelyn Krohn, secretary; Cal Batson, treasurer. Those standing are directors and from left to right are, Evans Drotts, retiring president of the Association, Ronald Whitaker, a past president, and A. Hunter Chapman.

Knights Lose To Reavis 33-6 In League Contest

BY RANDY WHEELER
The Lincoln-Way Knights were defeated by a score of 33-6 last Friday night by a very strong Reavis squad. The game, Lincoln-Way's second conference game of the season was played at Reavis under the lights.

The attack on the Lincoln-Way defense began early in the first quarter. The Knights received the kick-off but found it difficult to move the ball against the aggressive Reavis defense, so Kurt Fredin, the Knights' senior quarterback drifted back and punted the ball. Tom Knight, the Rams' left half back returned the ball only three yards. Reavis started moving the ball immediately, and within nine plays Chuck Evans entered the Knights end-zone for the first Reavis touchdown. The extra point attempt was unsuccessful.

Bob Bonarig of the Rams again kicked off to the Knights who were again unsuccessful in moving the ball to any extent, so Reavis took possession of the ball for the second time. The Rams moved the ball with great force and at the gun ending the first quarter they were on the Knights 18 yard line, again threatening to score. The first quarter ended with the Rams carrying 15 times for 118 yards and the Knights carrying only eight times for a total of 21 yards gained.

The second quarter went much as the first had. Reavis scored twice more -- once by fullback Ron Skrzecz and the second time by Chuck Evans. Both extra points were kicked through the uprights by Bob Bonarig. The score at the end of the first half was Reavis 20, Lincoln-Way 0.

The third quarter wasn't quite as hapless for Lincoln-Way as the first two had been. A drive consisting of Van De-

Lay carrying three times for a total of fifteen yards and Jeff Urban carrying twice for a total of 10 yards gained brought the Knights to the one yard line. Quarterback Fredin again handed off the DeLay who plowed his way thru the line for the touchdown. The attempt for the conversion was smothered. Reavis, not to be outdone, struck twice more in the quarter. Chuck Evans broke loose on the first play after the kick-off and sprinted 56 yards around end for this TD of the evening. The extra point attempt was blocked. The other Reavis touchdown in this quarter was made by Quarterback Tom Russian who broke loose with a 42 yard jaunt again around end. Chuck Evans kicked the extra point.

Lincoln-Way played their best defense in the 4th quarter, holding Reavis to a gain of only 29 yards and preventing them from entering their end-zone. Not only was this the Knights' best quarter on defense, it was also their best quarter on offense. They carried the ball a total of 49 yards and came within three yards of scoring their second touchdown. However, time ran out one play too soon, for this reporter feels that another play was all that the Knights needed for T.D. number two.

Altho the Knights were outdone in rushing, they again showed superiority in the passing game. Kurt Fredin threw 13 passes, completing 7 and gaining a total of 62 yards, as compared with Reavis who gained only 26 yards through the air.

Jim Nicholson, Lincoln-Way's right end caught three passes for a total of 38 yards. Mike Hart, the Knights left end caught two passes for a total of 14 yards; Tom Hamilton, Sophomore half-back caught one

Form Group to Aid Deaf Youth in Area

A new organization, known as Friends of the Deaf Child in the Joliet area is planning its next meeting for Friday, Oct. 5, at 8 p.m. in St. Joseph parish hall, E. 5th St., Lockport. Rev. The main purpose of this group is to gather and share information on the educational and social problems of the deaf and hard of hearing child.

Mrs. Lois Lyman Linder, speech teacher in the room for deaf children at Marycrest School, will speak on her experiences with deaf children. Before coming to Joliet, she taught in this field at Minneapolis, Minn.

All parents and friends of children with hearing deficiencies are invited to attend this open meeting Oct. 5.

pass for a 6 yard gain, and Van DeLay received one pass for a 4 yard gain.

Roy Sylvester, still injured from last week's game was replaced by Bob Hunter, Rick Gertz and Earl Montgomery. A fine job was done by offensive guards Ken DeCamp and Ron Badten.

The New Lenox volunteer fire department will join with several other departments in the DesPlaines Valley Mutual Aid Association with several Aid Association in a demonstration of equipment Sunday at Romeoville. It was announced this week. The public is invited.

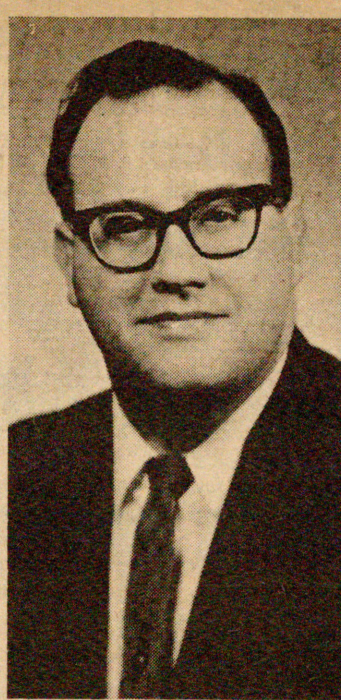

The demonstration is scheduled to begin at 1:30 and all types of equipment will be used in the course of the demonstration.

Dale Drake, assistant chief of the New Lenox department, will discuss the demonstration tomorrow night in a radio interview on the In Town Tonight show on WJOL at 11 o'clock. A description of the demonstration will be broadcast Sunday afternoon by the same station.

The program Sunday has been arranged in observance of Fire Prevention week, Oct. 8-13. At a recent dance of the New Lenox department \$550 was given away in prizes. First prize of \$300 went to Mrs. Dale Krohn, of New Lenox; second prize of \$200 went to Amos Bruns and two prizes of \$50 each went to a Mrs. Spires at 152 Elm street, New Lenox, and James Hall, of Plainfield, it was announced.

The firemen were appreciative of the support given the affair. Last month the New Lenox fire department extinguished 10 grass fires, according to the report for September. All fires occurred between Sept. 14 and Sept. 22.

The department also labored

Frankfort Adopts Measure To Try Drunken Drivers

The Frankfort village board at its regular meeting Monday night adopted an ordinance covering drunken driving cases that may occur in the corporate limits.

The measure fixes the penalty in such cases as not more than six months imprisonment or fines ranging from a minimum of \$50 to a maximum of \$500, or both fine and imprisonment. Under the legislation setting up the new justice of the peace system drunken driving cases can be brought into such courts or police magistrate courts for final disposition. Village Attorney Albert H. Krusemark pointed out, however, that when such cases are presented in police courts or JP courts for disposal it is first necessary to get approval of the action thru the state's attorney's office.

In response to a question from the board relative to the status of the proposed airport installation a mile south of the village on Center road, Mr. Krusemark reported that as yet the state aeronautical commission has given no decision on the petition of John Arnold for a permit to operate an airport. Such decisions, the attorney said, are subject to appeal to the circuit court. Before final action is taken, he added, there will have to be a zoning hearing. Arnold, a resident of Orland Park, is said to have made

a deal with John Ludwig for 23 acres which he plans to make into an airport for small planes.

Some opposition to the plan has developed in Frankfort. On the other hand some are for it. Mrs. Irving Rudman, head of the SPC, conferred with the board relative to improvements in the Frankfort park.

The village is prepared to furnish the material for the necessary wiring of the pavilion and the work will be donated by Donald Lorenz. It is planned to use heavy enough wiring so that persons on picnics could plug in skillets or roasters. It was believed the material would not cost more than \$75 or \$85.

Mrs. Rudman suggested that the village hire a man next summer to keep the park clear of trash. Trash containers are on hand but too many persons fail to use them. It was suggested that signs might help, especially in the wash rooms which are said to be dirty most of the time.

The SPC is working now to raise funds to purchase playground equipment and set up a ball field for youngsters who do not play in leagues.

The SPC meets tonight in Mrs. Rudman's home to discuss the proposed expenditures and complete plans for the buffet dinner dance to be given the night of Oct. 19 at Valley View Farm as a means to raise some of the funds needed. Tickets for the dance are \$5 per couple and may be purchased from any member of the SPC or at the Frankfort pharmacy or Pauline's Beauty Shop.

Chief of Police Francis Simon reported that it has been proposed that Frankfort, Mokena and New Lenox join in a police radio hook-up with one base station. The board signified a willingness to discuss the subject with officials in the other villages.

Holes are to be filled with stone on 95th street and a load of blacktop is to be used in patching some other streets.

It used to be that a fool and his money were soon parted, but now it happens to everybody.

area requirements. Lense told the board that he purchased the lot from a Mrs. Skoglund last year for \$6000 cash. He knew nothing about the division of the lot. When he discovered that the lot has been illegally divided, he demanded the return of the lot price. Mrs. Skoglund, however, has left the state and refuses to return the money. "I can't even sell the lot now that the cat is out of the bag," said Lense. "I also will never be able to build because the people next door on the other portion of the lot will never be able to satisfy zoning requirements."

Zoning Board member Jerome Huppert reminded Lense that state laws say "no lot shall be divided unless lot areas in each section comply with zoning codes."

Especially where there are active youngsters, it's good to have your medicine cabinet well stocked with first aids for cuts, bruises, scratches and playtime casualties.

Former New Lenox Pastor Gets Important Position

The Rev. Ralph L. Miller of Rockford, and formerly of New Lenox, executive secretary of the Methodist Rock River conference board of missions.

He succeeds Dr. R. Merrill Powers, now an executive of a Methodist general board.

Bishop Charles W. Brashares announced the appointment yesterday.

The Rev. Mr. Miller will be in charge of extension and expansion activities of conference churches, which now number 400. The conference expects to build 40 additional churches in the next four years.

Mr. Miller will work with the development of priority lists and the securing of building sites. He will be in charge of promotion of conference mission work, work with the district superintendents, assist local

churches to strengthen their work.

He has been pastor of Christ Church, Rockford, since January, 1956. Beginning with no members and no building, the church now has over 800 members and 700 enrolled in the church school.

Mr. Miller has been active in ministerial affairs in Rockford, serving as secretary of the ministerial association and a committee chairman. He has been a board member of the Rockford Protestant Welfare Service, and has been personnel committee chairman for the Rosecrance Memorial Home.

A native of Joliet, he graduated from Roosevelt university in 1949 and Garrett Theological Seminary in 1955. He was received on trial in 1953 and elected a full member of the Rock River Conference in 1955. He served the Methodist Church at New Lenox for 11 years before going to Rockford.

He is married to the former Frances Wright of Joliet. Mr. and Mrs. Miller have three daughters.

The Village Cut In Two

Persons who plan to attend the demonstration in fire fighting techniques and use of equipment to be staged this Sunday at Romeoville are advised to pack a lunch and start early.

Romeoville is hard to get to these days. In fact you can't get to Romeoville without a detour, and this also applies to persons living within the confines of that village.

Last July the Chicago sanitary district, which owns the swing bridge over the Illinois waterway at Romeo closed the span to traffic in order to repair it. The best thing, of course, would be to erect a new and modern bridge, with an overpass over the railroad tracks and elimination of the present hairpin curve leading up to the narrow, antique span. However, it would appear that to remain free of disappointment one would limit his expectations to a new floor for the old bridge.

Why it should take so long to replace a bridge floor is one of those things that happens only when a governmental body is doing the work or the private contractor is working for a governmental body.

Whether the bridge will be usable by next July is problematical. It is quite possible that the sanitary district could nurse the job along for several years if some of the trustees and engineers really put their minds to it.

Romeo itself is cut in two and anyone who wants to go from the east end to the west end or vice versa he has to go via Lockport, a detour of some eight miles.

It is possible that recent publicity given the Romeo situation in a Chicago daily newspaper may kindle a little action and speed up the work.

Heretofore, there had been complaints by Romeo residents made to the sanitary district, it was stated, but for all the good it did the people might just as well have gone to the bridge and talked with one of the steel girders or a passing towboat. It is to be hoped that something will be done now.

Meanwhile it might be a good thing if the Des Plaines Valley Firemen's Mutual Aid Association, which is staging the demonstration at Romeo Sunday will include a course in river leaping by fire trucks or devise super-waterwings or plastic pontoons which would enable fire engines to cross water under their own power.

Such equipment is almost a necessity for towns along the waterway. It seems as if a bridge is always being put out of commission from one cause or another. Communities served by more than one bridge are inconvenienced when a span is laid up for repairs but they can get along. But when there is but one bridge and it is not working the residents are greatly inconvenienced.

It would seem that bridge repairs could be pushed at a faster pace that is the custom. After all the public deserves some consideration inasmuch as it is paying the bills.

On Second Thought

By GLENN F. LOGAN

The glory days have come. Why any poet should have described autumn as a dreary, melancholy season is beyond this writer.

Sure there are cloudy days, rainy days in the fall but what season is free of them -- in these latitudes.

On the other hand what season, other than autumn, has those days of sparkling sunshine... the crisp, tangy air that makes breathing a pleasure and a privilege... the days when a light haze hovers between the land and the blue sky... The various greens, reflected in the foliage and grasses of spring and summer bring pleasure to the eye but for breathtaking beauty one must turn to the gorgeous display of color found in the woods and countryside in autumn.

This fall is to be a color year. There are some autumns when everything is golden and there are some years when variety rules -- with reds, russets, yellows running from heavy to pale lemon, greens, orange and purples spread lavishly among the glowing golds. And it looks as if this is to be one of those years.

Persons cooped up in the stone and concrete canyons of the cities will find it well worth their while to visit the countryside where they may see at first hand the magic of the autumn.

Anyone who has lived where the colors do not change, or has not smelled wood smoke, or burning leaves, or the tantalizing, mouth watering odor of chili sauce or catsup in the making... or smells bacon frying and coffee coming up to the boiling point on a frosty autumn morning has some delightful experiences awaiting them.

The best harvest moon still shines down on fields, turning dew or frost into thousands of flashing diamonds but the corn shocks, once a hallmark of the autumn scene, is practically extinct. The machine age, that's what!

Very few people shock corn any more. Here and there one finds a small field where shocks

stand and one suspects that perhaps sentiment has played a part in leaving this visible link with the past.

A few more years and probably the only place one will find corn shocks will be on the stage, in the movies or some big sportsman's or outdoor show... made up by florists or specialty crews at a cost of \$900 a shock-more or less. Pumpkins are to be seen now and some gourds.

The late apples are begging to be picked and the usual race is on between the tomato grower and Jack Frost.

The fall flowers are bright and cheerful and the Virginia creepers have changed their green dress to the pink and red of autumn and give an added touch to the trees on which they are entwined.

October is usually one of the finest months of the year and it is to be hoped it will be now.

Sometimes October gives us Indian Summer, sometimes that delightful period of warmth, sunshine, floating webs and blue skies does not come until November.

This last fling of summer before winter is always a pleasant interlude.

Fall is a wonderful time of the year but it has its practical, non-nonsense side too. In many ways it reminds one that winter is not too far off and endeavors to convey the message that there are things to be done... outdoor furniture to be put away... machinery to be oiled and stored and not to wait until the first snow before taking down screens and putting up storm sash... see to it that the coal bins or the oil tank is full and that the gas burner is operating properly.

But in the meantime the highways beckon... football takes over the spotlight... golf is still popular and at night over the nation there is a roaring, crashing sound as the bowling leagues start their season.

The glory days are here --- and what's become of the summer wages?

Pint Of Blood Enrolls One In Natl. Blood Bank

Silver Cross hospital, Joliet has joined the Cooperative Blood Replacement plan, a public service program designed to insure an adequate supply of blood. The membership is one pint of blood or \$10 for those who cannot donate, and it insures an individual donor coverage of all emergencies requiring blood over a period of four years: for a couple, two years; for an entire family with any number of children under

19, one year. The replacement will be made anywhere in the United States.

Begun four years ago the plan now has a membership of 6,480 covering a total of 25,000 persons. It has tripled its membership in the last three years. Membership is open to all except those who have already had such ailments as blood disorders, cancer, hemophilia, leukemia, ulcers and active tuberculosis. However, if a member contacts any of these diseases later he will be eligible for unlimited replacement.

An adult between the ages of 21 and 60 may safely give a pint of blood as often as five times a year. Minors between the ages of 18 and 21 must have the written permission of parents or guardian. Persons who have had diabetes, malaria or tuberculosis may not donate. There are also a number of conditions prohibiting the giving of blood. If in doubt a would-be donor should consult the blood bank or his doctor beforehand. Every donor is given an examination at the laboratory.

Further information may be had by calling the laboratory at Silver Cross 8 a.m. to 3 p.m. Appointments for donating blood can be made on Mondays, Wednesdays and Saturdays between 8:30 and 11 a.m. and on Tuesday and Friday evenings between 4 and 7 p.m.

Cites Need For Cancer Dressing Group

L-W Expansion Meet Next Wednesday

Lincoln-Way high school parents and teachers group held its first meeting of the 1962-63 school year last night in the school auditorium.

Special significance of this year's opening meeting was to inform the parents and interested local citizenry of the needs arising from the overcrowded conditions existing at Lincoln-Way this year. Films showing actual school situations were presented to the audience.

John Porick, President of the Parent-Teacher Group, explained the emergency need for beginning another drive to obtain the voter's approval of the high school bond referendum. Under present conditions and with forecasted increasing enrollments, a split shift schedule for the 1963-64 school year is being considered.

Don Nepote, New Lenox savings and loan executive, spoke on "What a High School Means to Our Community."

The student's needs at Lincoln-Way and the greatest threats to their opportunities to secure a good education were explained to the parents and visitors by student council president, Kurt Fredin.

of academic subjects and general knowledge. A feature of the program is the brief interview with a teacher or an educator on subjects of educational interest and news.

Auditions were held to select competing schools and three students from each participating high school to represent their high school whenever they are assigned for appearance.

Students were asked the same type questions as are asked on the program and these questions were taken from a broad range of academic subjects. The auditions simulated the on-the-air program to give the students a better idea of the actual program and to make possible a more accurate selection of a well balanced team.

"It's Academic" made its premiere appearance on Channel 5, Sept. 29, at 6 p.m. Students from Arlington Heights, Wheaton community and Flossmoor high schools were guests on the first show.

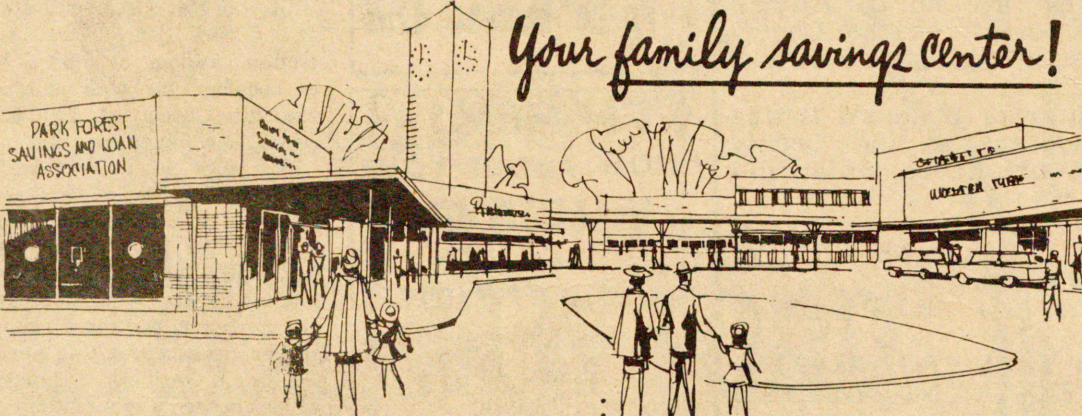

The new educational TV series has been approved by the Illinois High School Association and the office of public instruction.

Newcomers Club To Meet At D'Amico's Tuesday

DOLORES ANDERSON
HU 5-3651
There will be an evening meeting Tuesday, Oct. 9 at 8 p.m. of the Newcomers Club of Joliet and surrounding area. The meeting and social evening will be held at D'Amico's 214. Hostesses for the evening will be Mrs. Leo Hillard, Mrs. Ed Dowd, Mrs. Joan Arlyk, and Mrs. Ludwig Kankauskas. Chairman of the hostess committee is Mrs. Martie Lovett. Following a short business

meeting there will be a panel discussion on "Joliet, A Place For Learning and a Place For Leisure". Those on the panel to discuss the issue will be Sam Basan from the Joliet Park District; Robert Pohl from the Public Library; and Floyd Tompkins from Joliet township high school.

Dessert-coffee will be served, and individual tables will be decorated with the Fall Football theme, felt football fields with goal posts and big ten pennants will center each table.

Any newcomers to this area are welcome to join this club, and to attend this meeting. For reservations call Mrs. Bob Frandsen, SA 3-4936.

The September meeting of the second Child Study club was held Thursday night Sept. 27 at the home of Mrs. Lois Baker, Fir st, with Mrs. Neadra Eller as assisting hostess. Speaker for the evening was Dr. Irving Curn of Joliet, a dermatologist. Slides were shown on skin disease. Two guests were, Mrs. Ronald Sly and Mrs. Jack Mangun. Dessert-coffee was served by the hostesses.

Mr. and Mrs. Donald Whicker have returned home from a vacation spent at Gatlinburg, Tenn. in the Smokies. They then motored north on the Blue Ridge Mountain Parkway thru Virginia and on to Detroit, Mich. where they visited with Mrs. Wickers nephew and family, the Charles Cox's.

The October meeting of the New Lenox Garden club will be held today (Oct. 4) with a nature walk in Black Partridge Woods at Lemont. Cars will leave the bowling alley at 9 a.m. There will be a pot luck luncheon at noon and everyone attending is asked to bring a covered dish and their own table service. Coffee will be provided.

Play day for Trailway Girl Scouts of District C will be held at Nowell Park, Oct. 13 from 1 to 4:30 p.m. In case of rain it will be held at the armory.

Trinity Lutheran church Chancel Guild will hold a rummage sale today (Oct. 4) from 9 to 9 and tomorrow from 9 a.m. to 1 p.m. Everyone is welcome.

At their meeting held last week the New Lenox Sportsmens club Auxiliary elected Ann McAllister, president; Doris Luce, vice president; Kathryn Fox, secretary and Gladys Bergstrom, treasurer.

A study group is being conducted by Mrs. Harry Geyer on "Who Cares". The group will meet at the church from 9:30 to 11 a.m. on Oct. 9th and 16th. Anyone interested is welcome to attend.

Mr. and Mrs. Clayton A. Tomany, 111 Oak street, New Lenox announce the approaching marriage of their daughter Marguerite Elaine Tomany, to John D. Bock, son of Mrs. Marguerite L. Bock, 5 South Midland ave., Joliet. The wedding will take place Saturday, Oct. 6 at 3 o'clock in St. Jude's Catholic church, with Fr. Faust Klink officiating. The bride-to-be has asked her sister Catherine Tomany to be her maid of honor; Miss Judy Bock sister of the groom-to-be and Miss Judy Ghilain of Joliet will be bridesmaids.

John Birks will serve as best man, and ushers will be Gerald Cooper, and Dennis Valek. Invitations have been issued for the reception that will be held at the home of the bride's parents, immediately following the wedding.

Miss Annis Weber entertained Thursday, Sept. 13 at a surprise personal bridal shower, in her home on Francis road, honoring Miss Marguerite Tomany. Upon her arrival at the party the honored guest was presented with a lovely corsage of baby mums. Novel games were played and duplicate prizes awarded. Refreshments were served buffet style and

Mrs. Norman Grund, Oak street, entertained Sept. 19 at a miscellaneous shower for Miss Marguerite Tomany. A gladioli corsage was presented the bride-to-be as well as many lovely gifts. Novel games were played, and prizes awarded, with duplicates going to the bride-to-be. Refreshments were served buffet style and decorations were in blue and pink, with white wedding bells. Guests attending the party were, Mesdames Fred Feil, Marguerite Bock, Blanche Simmons, Virginia Perry, Doris Smith, Florence Lewandowski, Betty McClaren, Kathryn Glester, Betty Vincent, Helen Vincent, Betty Cooper, A. Hunter Chapman, James Campbell, Marie Penn, Joan Tomany, and Edith Sayers; also the Misses, Sherry Grund, Irene Simmons and Judy Bock.

Mr. and Mrs. Ronald Crawford of Wilton Center entertained former New Lenox residents at dinner last Tuesday. Those attending were, Mrs. Dale Gullickson and infant daughter Lyndell of DeKalb, Mr. and Mrs. Bruce Damerall and son Mark of New York and Mrs. Arthur Feil of New Jersey, mother of Mrs. Gullickson and Mrs. Damerall. Also present at the dinner was Mrs. Crawford's mother, Mrs. Ernest Oram of New Lenox, Miss Donna Rae Meyer of Manhattan spent the afternoon with them also.

Three educators are to lead a discussion before the Parents club of St. Jude's school this evening at 8 o'clock. "The Learning Process" is the subject. The educators are, Brother Ralph, F.S.C., Providence high school; Ruth Ann Lidgren, Joliet grade school teacher and William Avila, Lincoln-Way high school.

Arbury Hills

Kindergarten, Sitters Change Meeting Dates

MRS. EDWARD HOVI
Mokena 5740
There are two changes to be made in previously scheduled meetings. The Arbury Hills Kindergarten Organization will hold its October meeting on Wednesday evening, Oct. 17 at 8:00 p.m.; instead of Tuesday, Oct. 16. The meeting will still be held at the home of Mrs. Leonard Guntz of 9431 West Elm Avenue.

Since this new date for the kindergarten meeting will cause a conflict in the meeting date of the Arbury Hills Baby Sitters Cooperative, the date for that meeting also had to be changed from Wednesday, Oct. 17, to Wednesday, Oct. 10. The meeting will be held at the home of Mrs. Robert Burdett of 9442 West Hickory street starting at 8:00 p.m.

The Bingo Club will, meet tonight, (Oct. 4) at 8 o'clock in the home of Mrs. Arthur Fife of 9431 West Birch Street. The Summit Hill Parent Teacher Group will hold its second meeting of the new term on next Thursday evening, Oct. 11, at 8:00 in the school.

The guest speaker will be Jonas R. Lashmet, chairman of the physical education program at Lincoln-Way high school. He will present an address on the values of a good physical education program.

Another topic for discussion for the evening will be further plans for the Fun Fair scheduled for Saturday, Oct. 20, from 3:00 to 8:30 p.m.

Anyone who has bake goods or "white elephant" type of saleable goods to donate for this event is asked to contact Mrs. Marvin Rognie at Mokena 5596. The officers of the Parent Teacher Group are striving to make this organization the best of its type and urge full attendance.

The Teens club will hold the first of its two October meetings on Monday evening, Oct.

8, from 7:40 to 10:00 p.m. at the school.

The chaperones for this meeting will be Mrs. Pick of Arbury Hills and Mrs. Carlson of Tinley Gardens.

The group has several plans in the tentative stage, and the announcement of concrete plans will be made in the near future.

Dawn Diercouff, the small daughter of Mr. and Mrs. Barry Diercouff of 9304 West Magnolia, celebrated her third birthday with her first birthday party on September 23.

Those present were: Mark Morzano with his mother Florence Marzano; Mary and Theresa Arcuri; La Verne Wiley; Marge Hedberg; Mike, Tina, and Wayne Jones from Chicago along with their parents Dale and Vonna Jones. Also present were Grandma and Grandpa O'Conner from Arbury Hills.

Dawn received presents from all who came, and in addition she received a gift from Terry and Deloris Anderson from Oak Lawn who were unable to come.

There were games played with prizes given to the winners. Tina Jones won for musical chairs, and she also tied with Marge Hedberg for clothes pins in the bottle.

The party snappers provided a small toy and a hat for each guest at the party. Happy Birthday was sung followed by cake, ice cream and Kool Ade. All during the party Mr. Diercouff took home movies of the festivities.

Jerome and Mary Lou Saxon of 9515 West Hickory Street became parents of their second daughter, whom they named Jacqueline Ann, on Sept. 20. She weighed eight pounds fifteen ounces at her birth in the Silver Cross hospital, Joliet.

The Saxon family now consists of five. The two other older children are: Louis who is four, and Kathy who is two.

They enjoyed a few days hiking in the White Mountains of New Hampshire, and a trip to Quebec in Canada.

Donations Needed For Thrift Sale

The Woman's Society of Christian Service at the Palos Heights Community Methodist church are having a thrift sale of good, little used or outgrown articles from 10 a.m. to 8 p.m., Thursday, Oct. 11. Some of the items to be sold are: clothing, galoshes, ice skates, toys, small appliances, white elephants, etc. This is not a rummage sale!

Articles you wish to sell will be accepted as donations or on a profit-sharing basis. They must be checked in from 10 a.m. to 2 p.m. or 7 to 8:30 p.m., Wednesday, Oct. 10.

Donations must be clean, of good quality, in good repair, and marked as to size. For other information call: Mrs. Bertil Larson, Gibson 8-4431 or Mrs. George Rutz, Gibson 8-4281.

...Gas dries your wash faster and softer, too.

You save almost 4¢ a load with a modern gas dryer. Other kinds of dryers not only cost more to operate, they also require a warm-up period, and they take more time to do the job. Gas gives instant heat...dries clothes almost as fast as you can wash them. And gas doesn't have a dry baking action that sets wrinkles. Clothes come out fresh and sweet-smelling...all for a penny a load.

Saves so much work. No more back-breaking lifting and lugging wet laundry out to the yard. No more running madly to take in the wash when it rains. No more wash-days postponed on account of bad weather.

Free trial offer. Visit your nearby Northern Illinois Gas Company store now. See the broad selection of gas dryers...all packed with features to make your drying easier and more efficient. Some even have a control to stop drying action automatically when clothes reach proper degree of dryness. Pick the model you want, and try it for 60 days--with no obligation. Matching washers also available. (Or check your appliance dealer for his attractive offer on gas dryers.)

BOXELDER BUGS MOVING
You're probably just becoming acquainted with an un-noticed visitor that's been around all summer. With the cool weather of early fall, boxelder bugs start their annual migration in search of warmer quarters. Often they find their way into homes. And here they're a definite nuisance.

Boxelder bugs do not feed on either food or cloth. Their main food is boxelder seeds. But they do spot curtains and wallpaper.

Thoroughly spraying insecticides on the trunks and ground around the trunks of seed-bearing boxelder trees when you see the bugs is one part of controlling these pests. In addition, spray the sides and foundation of the house and a three-foot strip of soil around the house. One precaution—spray the soil, not flowers or shrubs. Later -- this winter and early next spring -- you can spray the side of the house if you see more boxelder bugs.

For quick kills, a 1/2 percent lindane spray applied to the point of run-off. To make this spray, mix 1/2 pint of 20 percent lindane concentrate in 2 1/2 gallons of water. You will also get good control with a 1/4 percent dieldrin spray. Make this spray by mixing 1/4 pint of 15 percent concentrate in 2 gallons of water. You may have to apply either of these sprays at one - two week intervals.

Inside the house, a vacuum cleaner works well in picking up stray boxelder bugs. Pyrethrin household sprays also give quick kills, but use them only in severe cases in the house.

A new book of equipment designs and planning information is available for commercial poultry producers. It is published by the Midwest Plan Service.

Hints For Homeowners

BY: JAMES FIZZELL, ASSOC.
FARM ADVISER
The fall season is the most spectacular of Mother Nature's seasonal displays. In a last effort before winter, all the plant kingdom seems determined to outdo itself in a show of color. The color is a result of an uncovering of pigment which have been masked all year by the more abundant chlorophyll. When the chlorophyll dies, the full color is revealed.

The most colorful of all trees in our area is the sugar maple. Its colors range from deep yellow to orange, and red. These trees are easily identified even from a distance by the intensity of their color. Other trees showing good yellow color, but not so deep and intense are the poplars, silver maples, elms, and ashes.

Red is a common fall color and is found in a number of different plants. It is deepest in color in the Japanese maple and the roadside sumacs. Burning bush, probably the same one mentioned in the old testament; flowering dogwood; red maple and red oak can also be counted on for a good display. The leaves of oak trees often display a deep bronze or rich brown color which persists long into winter.

Leaves are not the only colorful aspect of plants. Fruits and berries as well as twigs are often very colorful. No one can deny the beauty of a mountain ash, a highbush cranberry or a crabapple covered with brilliant red or orange berries. Even ground cover and vines can provide color in this category. Pyracantha and bittersweet are grown for their berries which often last all winter. Red, twig and yellow twig dogwoods as their names imply display their characteristics when the leaves fall and the stems are revealed.

Fall is the time to plant trees and shrubs. Visit your local nursery and see the fall color of the plants you want to buy. Most nurseries allow customers to pick out and tag their trees which are dug later when the leaves fall.

Take a drive through the forest preserve and see if you can identify the most colorful plants. You can get a free booklet called "Forest Trees of Illinois: How to Know Them" by writing this paper. Ask for the tree booklet offered in "Hints for Homeowners."

vice. The book includes useful information for all egg, broiler and turkey producers in Illinois. It has 47 working drawings for feeders, waterers, nests, cages and other equipment. Also included are layouts for efficient production, details on good ventilation systems, management suggestions and space requirements.

Copies of the booklet, called "Poultry Equipment Plans," are available for \$1. through my office.

During the 1962 corn harvest, the price of corn is expected to fall well below the loan level. However, outlook specialists at the University of Illinois report that it should rise within a nickel of the loan price in the late spring and early summer. Exactly, how high the price will go depends on what the government does with its stored corn.

AVOID COMBINE ACCIDENTS
Illinois farmers will harvest a record acreage of soybeans this year -- combines are already rolling into fields of early beans -- and accidents during harvest could cost farmers money, time or even their lives.

Some simple adjustments are repairs BEFORE going into the field, made each morning while beans aren't dry enough to cut, will lessen chances of an accident as well as prolong the life of the combine. Be sure all shields and guards are in place. Open moving parts are always dangerous. Shields are put there for protection.

If repairs or adjustments must be made in the field, shut off "everything." No one realizes how fast moving parts can pull a person into a machine. And don't try to clean out a machine when it's running. This causes many accidents every year. This year is no exception.

Rainy weather -- common during the fall -- causes accidents, too. Shields and smooth metal surfaces on machinery become slick and may cause a serious accident. Muddy fields increase chances of slipping or skidding that may result in operator injury. Hurrying seldom gains much total time, and inevitably leads to carelessness. This is the time when an accident is most likely to occur.

Young Car Designers Can Let Imaginations Soar Louis Lauffers Plan To Celebrate Golden Wedding

Imagination in the design of new concepts for passenger vehicles will be a larger factor in the expanded 1962-1963 Fisher Body Craftsman's Guild model car competition.

In announcing major changes in the 32-year-old youth program, Guild officials said that starting with the 1963 program, the competition will include an "open" classification in which the Guild member will be encouraged to use the full power of his imagination and creative ability. In this new category, some restrictions in the field of practicality will be relaxed for

the purpose of stimulating greater originality of design.

The new phase of the program will be to design and build a wheeled-type vehicle for the land transportation of two to six people.

The new classification is designed to encourage the kind of creativity that involves new concepts in areas such as passenger placement, methods of exit and entrance, comfort and convenience for passengers, placement of wheels and exterior appearance.

Every conceivable type of passenger vehicle is now eligible in one of three classifications. They are: (1) the regular category (2) the new size and sports car category and (3) the open category.

Mr. and Mrs. Louis Lauffer of Mokena will be honored on their 50th wedding anniversary Sunday, Oct. 7 from 2 to

4 p.m. during open house in the church parlors of St. John's United Church of Christ, Mr. and Mrs. Lauffer farmed

gible in one of three classifications. They are: (1) the regular category (2) the new size and sports car category and (3) the open category.

The competition is open to all young men born from 1942 thru 1951 who reside in the United States. All enrollees will receive an instructional booklet which will define the model car project and outline the various types of vehicles that are eligible.

This year the Guild will offer \$117,000 in incentive awards including \$38,000 in university scholarships, which will be pre-

sented to the best model car designers and builders in the country.

Since 1930, the Fisher Body competition has awarded 279 university scholarships valued at \$741,500 to national winners. The total value of all awards has exceeded \$2 million.

Sons of General Motors employees (including dealers and their employees) are eligible to enter the competition. Duplicate awards are made whenever a son of a GM employee wins.

The 1962-1963 competition will end June 7, 1963.

Two More Suits Blame New Drug For Cataracts

(CNS) An Oak Lawn woman and a Hinsdale man filed the ninth and tenth suits here Tuesday against William S. Nerrell Company and Richardson-Merrell, Inc., of Cincinnati, O., drug manufacturers charging they developed eye cataracts as a result of using the anti-cholesterol drug Mer/29 Triparanol.

Delores Norton, 8793 Corcoran, Oak Lawn, and Charles M. Bradley, 415 North Elm, Hinsdale, each sued for \$175,000 charging they used the drug under medical supervision with the result they developed cataracts.

Attached to the complaints was a so-called "Drug Warning" dated Dec. 1, 1961, sent to doctors by Dr. Carl A. Bunde, director of medical research for the defendants, stating that use of the drug had developed "four cases of cataracts" in humans as well as cataracts and corneal opacities in animals. Either side effects noted include hair changes, hair loss, baldness and thinning of hair, ichthyosis and other skin changes, and "reactions ranging from dryness, itching, and scaling to severe exfoliation and ichthyosis."

Other adverse effects include "four possible cases of Leukopenia, scattered cases of abnormal liver function, impotence, diminished libido, nausea, vomiting and urine test changes, and simulating proteinuria," the doctor stated.

"At a level of 25 mg/kg per day, deaths have occurred in some dogs within 35 days with liver damage in some animals. It has caused abortion in rodents, stopped egg laying in chickens, and was assumed to cause acute intravascular hemolytic episodes in some dogs in one study."

These side effects were reported in less than one per cent of all patients treated.

HOMER NEWS
By Elizabeth Anderson
The Carl Cesar family, Creme Rd., was called to Chicago last week by the death of Mr. Cesar's father, Nicholas Cesar, aged 74, who died Wednesday, Sept. 26, in Walther Memorial Hospital following a brief illness.

He was retired from active work and had been hospitalized with pneumonia from which he was thought to be recovering when death occurred unexpectedly.

Mr. Cesar is survived by two daughters and another son who lives in Texas, besides Carl of Homer twp., and by five grandchildren.

Mrs. Carl Cochran of Gougar Rd. returned to the hospital this week, after undergoing major surgery a few weeks ago.

The John Hollister family are recovered from a siege of flu, by which Scott, the youngest son, was most severely attacked.

Tone Beaver of Gougar Rd. is critically ill in Silver Cross Hospital.

Mrs. Edna Mergler of here and Mrs. Ethel Lynk of Maple Rd., were guests of their sister, Mrs. Matt Harmon in Elgin last Sunday.

Mrs. Mamie Paddock, Mr. and Mrs. Jerome Paddock and son, Jerry, accompanied by their house guests, Mr. and Mrs. Mitchell Lovell of Tucson, Ariz., were dinner guests in the home of Mrs. Walter Nelson and sons of Lockport last Saturday evening.

Called to serve on the September term of petit jury, was Walter H. Beilfuss of 147th and Bell Rd.

At a well attended meeting of the Missionary Society Thursday, the members sewed curtains for the church dining room. Mrs. George Burckham presided at the business session and also helped with serving the dessert — coffee.

Mrs. Carolyn Ott and Mrs. Edna Mergler were the hostesses; the devotional program was led by Mrs. Robert Burch.

It was reported that tickets for the Fall supper are going rapidly, with two weeks to elapse before Oct. 11, when the supper and bazaar will begin at 5:30 p.m.

On Monday, Oct. 1, the official board of United Church Women of the Lockport area met at Homer church for dessert — coffee and their regular fall meeting.

Sunday, Oct. 7, will be World Communion Day, and Homer Church will join with Christians all over the world, in its observance. This will also be the beginning of Loyalty Month which is being participated in by many churches. Promotion Day in Homer Sunday School will combine with these features to make Oct. 7 a big day for the church and community.

Mr. and Mrs. Theron J. Doyle Raynor Ave., Joliet, are announcing the engagement and approaching marriage of their daughter, Mary Ellen, to Larry White, son of the Wrey M. Whites of E. Seventh St., Homer twp.

The ceremony will be at St. Anne's Chapel, Joliet, at 2 o'clock Saturday afternoon, Oct. 27, with the Rev. John Driscoll officiating. The reception will be in the Veterans of Foreign War hall on Rte. 7, Lockport, from 7:30 to 11:30 that evening.

The bride-to-be is a graduate of Providence High School and is now a secretary at the Joliet Catholic Chancery Office. Larry is a partner in the Wrey White and Sons Excavating Service.
